

## Audition Contract

I understand that by auditioning, I am making a commitment to my fellow cast members, our Director Mr. Gaudet, and our Technical Director Mrs. Neff. I promise to follow through on all my obligations as a performer, and as a member of a team. I understand that this production of the Spring Play requires that :

- I may miss no more than 1 rehearsal without a medical note.
- I may miss no more than 2 rehearsals even with medical notes.
- I will come to rehearsals on time, and stay for the entire rehearsal. Coming late or leaving early counts as ½ missed rehearsal.
- I will always tell the Director when I cannot attend a rehearsal in advance, in writing.
- If I am sick from school and cannot attend a rehearsal, I promise to either e-mail Mr. Gaudet or call the school at 794-8700 and ask the secretary to put a message in the Director's mailbox telling him, by 2:00pm.
- I will maintain good grades. If I earn an "F," more than 2 "D"s, or have a quarter GPA of less than 2.0 at any point during this play, I will need to get my parent's written permission to continue working on this play.
- I will work at home to memorize my lines and develop my character a minimum of 30 minutes a day on non-rehearsal days.
- I will work as a member as a team. I will be quiet and respectful when other actors are performing.
- I will help set up before, and clean up after rehearsals.
- **I must have reliable transportation to and from rehearsals. This transportation will pick me up on time every day.**
- I will manage my time and my workload well. If I am having any difficulties, I will ask the Director for help before it becomes a crisis.
- If I earn a part on this cast, I will accept this workload for the entire duration of the play. If cast, I accept my responsibility to do my best for the other cast and crew members who count on me, and will not give up or resign my role.

I also understand that school policy states that, as an after-school program :

- I am not permitted to attend rehearsals if I am suspended from school until I return to my regularly scheduled classes. I understand that these absences will be results of my choices, and that they will count against my total missed rehearsals.

I understand that if I choose not to meet these requirements, that I will lose my part.

I understand that in return, I will get the best efforts of my Director and my fellow cast members in turning our production into a performance that I will be proud to remember for years.
